

Early Stage 1 History overview

By the end of Early Stage 1, students communicate stories of their own family heritage and the heritage of others. They identify similarities and differences between families and recognise how important family events are commemorated.

Students sequence familiar events in order and pose questions about their own and their family's past. They identify and compare the features of objects from the past and the present. Students acquire information by direct observation, talking to others and by viewing, reading and/or listening to texts. Students relate a story about their past using a range of texts and language associated with time and change.

Personal and Family Histories

Personal and Family Histories provides students with the opportunity to learn about their own history and that of their family; this may include stories from a range of cultures and other parts of the world. As participants in their own history, students build on their knowledge and understanding of how the past is different from the present.
