Issue 17- Term 4 Week 5

Monday 3rd November 2014

PRINCIPAL'S REPORT

In this newsletter are two cut-off slips that I ask you to fill in regarding enrolments for 2015.

There is a slip that asks for information we should consider when placing students in classes. This is around things such as: twins being together or apart, welfare issues etc. It is not about choosing a teacher. If you opt to use this form, please remember that the final decision around placement is that of the school. In saying that, we would like to be aware of any thoughts you may like us to consider.

The other slip is for students not returning at the start of the year or moving schools. It is very important that should your child be returning to Green Valley, but not at the start of the year (students return 28th January), that we know they will return.

If notice is not provided to the school, this can have an impact upon the number of teachers we have at the school, which may in turn, impact on the number of students in each class.

The students are working very hard in the run up to the end of the year and I ask that you support us by encouraging punctual attendance every day until the end of the year. It is not OK for students to unnecessarily miss school or continually turn up late for school. We have to build in our students the notion that being punctual is a sign of respect which of course is one of our three school rules, Be Safe, Be Respectful and Be a Learner.

Please reinforce the message that it is only black school shoes unless it is a sports day or some kind of fundraising day. There seems to be a few too many students at the moment who tell me when questioned that they have decided that they will wear the shoes of their choosing. Fundraising days such as mufti days are advertised through this newsletter, Facebook and notes home. Unless notice has been sent home, it is black school shoes only.

Mr B Warwick

Principal

Quality Education in a quality environment

ROTARY CLUB DINNER

On Monday the 27th October, Lachlan, Jesse and I attended a dinner and wildlife show at Lansvale Sports Club. This event was organised by the Cabramatta Rotary Club. It was for young leaders in the local area. The wildlife show was presented by Anthony Stimson. His message was to all of the young people that we must protect all living creatures and not just the cute ones.

He brought along wildlife such as lizards, snakes, a crocodile and a tawny frog mouth, which we got to touch. We learnt how these animals are important to our environment and we shouldn't be scared of them.

We were joined by our parents, Miss Borrello and Miss Planes. Our dinner was delicious and the wildlife show was fun and educational. We all had a great time.

Students are invited to wear mufti clothes (closed in shoes only) and bring a gold coin donation. Thank you for your support.

What is a homonym?

Let's face it, English can be a crazy language. Take homonyms, for example. These are words that are identical in pronunciation and spelling but have different meanings. This homonym list will provide some clarity.

Stage 3 Camp

Two weeks ago, Stage 3 went to the Great Aussie Bush Camp. We participated in many cool activities such as the giant swing, dual flying fox, indoor rock climbing, canoeing, raft building, archery, and a beach excursion.

All students were pushed out of their comfort zone and many faced their fear of heights. The teachers also did some activities and all the students watched and cheered them on. For Year 6, this was a camp that we'll never forget. The Great Aussie Bush Camp is by far THE BEST CAMP EVER.

We hope that all the students and teachers had lots of fun and we know that we will always remember those three days.

Thank you to Miss Borrello, Miss Woods, Miss Chiovo, Miss Planes and Miss Pauk for taking us to such a great camp.

3P

3P have been getting creative this term! Our first homework mini-task was to design and create a park. We saw some very imaginative ideas. We've also been exploring landscapes and landforms through a variety of artistic styles. 3P definitely enjoyed gathering leaves, bark and sticks to give their sunset pictures a three-dimensional effect. A busy term lies ahead but there will be more artworks to come!

STAGE 1 EXCURSION

Last week students and staff travelled to Symbio Wildlife park as part of their HSIE and Science units. A great day was had by all and the students gained an abundant knowledge of various wildlife.
