Issue 12 - Term 3 Week 8

Monday 31st August 2015

### PRINCIPAL'S REPORT

It is with great pride that I start this newsletter congratulating our Wakakirri team who performed at the Riverside Theatre in Parramatta on Friday.

The students took part in their heat against six other schools and were awarded "The Spirit of Wakakirri" Award! Well done to all involved!

This week we have students in Stages 2 & 3 attending camp. Stage 2 are participating in a two day Cataract Camp while Stage 3 will be in Canberra for three days. Hopefully they will enjoy the spring weather.

In Week 9, the Western Liverpool Festival of Performing Arts will be taking place at Mounties. This festival showcases the many talents of public school students. If your child is involved, you would have received a note with more information.

This week is SASS Staff Recognition Week. We acknowledge the important work our School Administrative and Support staff do. So, a big thank you for all of your hard work!!

Mrs Liz Harris  
Principal (Rel).

## Free seminar **KEEPING COOL WITH YOUR KIDS**

Presented by  
**Bruce Chan**

Family Relationship Education and Skills Trainer/ Counsellor  
BCS LifeCare Counselling and Family Services

The modern parent has a million demands on his or her time, meaning they have an ever increasing amount of stress. Stress can make a person quick to anger. At times a parent may feel like lying down on the floor, kicking and screaming louder than the child who is having the tantrum. Anger is one of the most difficult emotions to deal with as a parent. Many parents have difficulty expressing feelings of anger and dealing with the anger constructively. By learning how to effectively deal with anger, parents can improve their relationships with their children

This seminar looks at how parents can manage their own anger as well as helping children with theirs. Areas covered are -

- coping with anger - staying calm, communicating better, improving stress management skills
- how anger affects children
- how to handle our children's anger and helping children to manage it themselves
