Issue 15 Term 3 Week 10

Monday 23rd September 2024

## PRINCIPAL'S REPORT

As Term 3 comes to a close I would like to reflect on the wonderful things that have been going on at GVPS. It has certainly been a busy term. We kicked off the term celebrating 100 days of learning and with our school taking part in external validation. We held our K-6 athletics carnival and our wonderful Olympics Games Day. We've had spelling bee, ICAS assessments, public speaking, Children's Parliament, and Maths Games and Olympiad. Camp Quality performed an insightful puppet show, the dentist came to school and we wrapped up the Premier's Reading Challenge. Year 2 and 3 went to swim scheme, we hosted our first ever Donuts with Dad father's day event and we acknowledged our amazing SAS staff. We asked R U ok?, some students wrote and illustrated a whole book in a day and we completed check in assessments for students in Years 3-6. In among all of these amazing things your children consistently participated in high-quality lessons delivered by our amazing expert teachers.

The Biennial Green Valley Concert is most definitely a highlight of this term for me.

We do events like concert to share with the you the talents of your children and hopefully light a spark that one day may lead to an interest in pursuing these skills beyond school life.

I thank the teaching and non-teaching staff for going above and beyond to make these events possible and of the highest quality. The staff here truly are among the best you could ever hope to have working with your children; not just for these sort of events but the day in day out work of teaching and learning across all areas.

In Term 4, Year 6 will host a Fun Run fundraiser for their Year 6 farewell. Please create an online profile and share it with friends and family.

Parents and carers thanks again for fostering the vital partnership between home and school in order to get the best results for your child.

Enjoy your break with your children and we will see you back at school on Monday 14th October ready for another high-quality term at GVPS.

## COVID 19

Please remember in the interest of the safety of all, that even though your child may not test positive to COVID 19 they must be symptom free to attend school. This helps prevent the spread of any other illnesses as well.
